The Utah Data Science Day will be a day-long event that will attract 100s of students, faculty, and staff from all aspects of data science. It will feature invited speakers, a research expo with posters and demos, and a career fair. The career fair will be a great chance to connect with data science students from all across campus seeking future employment. **To guarantee your logo on advertisements, sign up by December 5 to Sheri Carp (datascienceday@cs.utah.edu).** Higher tiers will be more prominently featured.
